

AASECT 2019 Annual Conference Volunteer Application

Thank you for your interest in being a volunteer at the *2019 AASECT Annual Conference!*

Volunteers are an integral part of the annual conference as they provide various services to help attendees get the most out of the conference experience. The primary responsibility of the conference volunteer team is scanning attendee badges for CE credits, however your contributions could also include: welcoming attendees, moderating workshops, and directing attendees to appropriate conference locations. The conference organizing committee is looking for volunteers who can embody a welcoming and friendly disposition so that attendees can feel a personal connection to AASECT.

By volunteering at the conference you have the opportunity to contribute to the AASECT Community and be a part of the exciting programming we have in store. If selected, you would receive a **50% discount on your conference registration** as gratitude from AASECT for your service.

To be considered, please submit a complete application, along with a copy of your CV/resume and your responses to the application questions. All applications should be submitted electronically **as one pdf** file to conference@aasect.org by **February 1, 2019**. A team of **15 volunteers** will be selected from the application submissions.
